7. 9. Fire Department access to fire hydrants shall be maintained at all times.

18. Failure to secure permits for previous work or failure to pay fees due on previous permits shall render the applicant, permittee or employees ineligible for any other City permit until such fees and penalties are paid.
19. Any applicant or contractor who has done work in public rights-of-way not in conformance with City Standard Specifications, Standard Drawings or Special Provisions, or who violates the City Code shall be ineligible to do work in public rights-of-way until such deficiency has been corrected to the satisfaction of the Public Works Director.
