

City of Molalla
Beautification & Culture Committee
Meeting
September 10, 2024

Present: Connie, Terry, Leota and Roxie. Absent Elizabeth and Pam(Pam was available via phone if needed)

Meeting called to order at 5:40pm by Vice Chairperson Connie

Minutes from August 13, 2024 had been emailed prior to this meeting
No corrections to the minutes. Roxie has notes available from the meetings that the minutes need to be submitted for and will work with Suzanne at the city to get them turned in.

General/Old business:

1. Discussed the tree lights and that the power issue was being taken care. All Positive comments with people liking the lights.
2. Police facility artwork project discussed. All members present decided that the implant in walkways wasn't a great idea. Brainstormed and we were excited to come up with a new idea that we all liked better. Making a metal sculpture of a tree stump round and adding plaques of Molalla history to hang from the round. Our plan is to invite local metal artist, Ben Dye, to our October meeting to get his input and approximate cost of the sculpture. We decided to move the October meeting to October 15th to make sure that all of us present at this meeting were available for the next meeting.

Adjourn 6:30pm
