

City of Molalla

Beautification & Culture Committee

Minutes August 13, 2024

Meeting called to order at 5:40PM by Chair Elizabeth Klein

Members Present: Elizabeth Klein, Leota Childress, Terry Shankle, Connie Sharp

Absent: Roxie Smith(conflict another meeting) and Pamela Lucht

No minutes from prior meeting

General Business:

- New Police Facility Art: Dan Huff had Elizabeth present special lasered imprinted art designs to implant in sidewalk. Some of the ideas we liked were Oak Leave, Maple Leave, Bear print, a salmon, a compass location piece and Big Foot Print. We added Horseshoe and a Log round or fir tree. Elizabeth estimated the total cost to be under \$8000 from her previous experience with a similar project for another city. Funding to come from selling the unused bowling alley lane wood.
- Discussion of how to sell the wood and an online auction was suggested as the best option. Elizabeth to investigate it.

Old Business:

- Downtown Tree light update: Connie showed signed contract and the City and Light company working together to have the installation done by end of August. They will be on a Dusk to Dawn system.
- Discussed time to apply for the KFC/A&W Grant for community projects. Brainstormed ideas to ask for in the grant request. Ways to enhance our downtown core. Ideas of color palette and design ideas.
